

McLean Robotics Club

STUDENT EXPECTATIONS

BEFORE CLUB:

- Bring your notebook and pencil
- Leave backpack against the wall in the hallway
- Take your team's kit to your work area
- Get your assigned laptop
- Get your team folder

DURING CLUB:

- Do the job you have been assigned
- Stay with your team at all times
- No food or drinks
- Work hard to complete challenges
- Listen to other people's ideas
- Keep all robotics pieces and parts INSIDE a container lid

AT THE END OF CLUB:

- Pick up ALL parts from your kit and return it
- Turn in your team folder
- Return your assigned laptop
- Come to the debriefing ready to share what you learned and listen to others

NOTE:

*** The students who earn the most points (both individually and as a team) will be invited to join our McLean Robotics Team when we compete in the Mindstorms Challenge at Wichita State University.
